IN HONOR OF DEEDS OF VALOR

Governor Barnes Issues Memorial Day Proclamation.

HIS LAST OFFICIAL ACT

It Was Also His First Official Act in 1897.

Guthrie, O. T., May II -One of the intest official acts of Governor Barnes was the signing of a memoral day preclamafion which was given out just before inauguration of his successor, Wm. Jenkfna. Four years ago, when inaugurated, the first official act of the new governor was the insular of a memorial day proclamation. This was the first proclamation that had ever been issued in Oklahoma and during the four years of the administration the proclamations have been issued as they are in the states surrounding the great territory. The proclemation of Governor Barnes is as fol-

With the coming of May with the wealth of bud and bloccom, we are again reminded of the near approach of the day CALIFORNIA FIG SYRUP CO. which conform has made accord to the memory of the heroes of the nation

nonnee my views on the matter, what-ever it may be. I have not yet reached the point when I believe that any one man knows it all. It is the dity of the citizens of this territory to consider these questions conservatively, not to criticise when things do not go as you think they ought to go. There is no people on earth who take as much interest is misting. who take as much interest in public afwho take as much interest in public ar-fairs as do the people of the United States. It is a source of our great strength. This condition is not more cen-erally appreciated elsewhere than it is orally approximated insewhere than it is in Oklahoma. The people of Oklahoma are in their prime. They are in the right age. We have all come here with high hopes, with high aims, to build upon hopes, with fight aims, to held upon these prairies the greatest state in the United States. It is a privilege you have in againing to build up this state. You people comprehend what people ought to do better than people in the United

"Now I have no announcement to make this afternoon-no policy to outline to you. I wish to reason with you, for I might say many things to please you and might make many promises this of termoon which you would remember and that I would forget. I do not think that you want me to make any promises to forget them. I feel much encouraged by your attitude today. I want to have an administration for the people of Oklahoma and I want to reason with you and I do not hear you when you call on me you must call again and speak a little ouder the next time. This is all that I wish to say today, and I thank you for

your consideration."

The next event of the afternoon was the awearing in of William Orimes of Kingfisher, as secretary of the territory The oath was administered by Judge Bur ford, who introduced Mr. Grimes to the audience. Mr. Grimes made a short speech which was applauded by the assemblage. Mr. Grimes said: "The inauguration of public officers is as old as his-tory or tradition. Personally, my ideas are against this system. I believe in sim-plicity and I think that the rule should be changed so that at the end of a man's office his official acts could be retified by such a program as this was such an audience. However, this system is not without its merits." Here Mr. Grimes

his line of argument. "The chief executive usually inauguharmony with the territorial officers and to give the best of my ability to the know so well as we of Oklahoma how people of Oklahoma. It is my greatest dead are all past insien. Here upon the a manner that it will bring to me the milification of the people of the terri-

The Blood

When there is a natural and healthy circulation of the blood, the entire quantity, estimated at one-eighth the weight of the body, passes through the heart every five minutes. This mpid flow of the blood through the system prevents the entrance of disease germs and impurious of every description. It after out all that is not necessary or good for the prowth and development of the body and nouraling and strengthening the mass is, issues, herves and boues. But unfortunately, few persons can rigidly claim an absolutely pure blood supply and perfect and impolluted circulation, and in consequence are expassed to immunerable diseases. Contagious Blood Poison, the greatest enemy to mankind, enters the system through the blood, and Cancer, Scrafuls, Rhemmtien, Catarch, Ecsems, Salt Rhemm, Pourisis, Tetter—in fact the majority of himan nilments—are caused by puisons or humons that are engendered and featered in a singgish. The Blood is the Source and impoverished blood. Old sorts, chronic alorers and rheumatic poins are ones. of All Strength mon, especially among old people, whose blood naturally grows thin and pule because of the lack of the red corpuscles that give color and strength to youthful blood. Sellow complexions and rough city claims evidence some constitutional or blood trouble, which salves, lottons, powders nor any external treatment can care. Diseases that originate in the blood, which my early maiffest the mealves as ulcers, tumors, lichting couplions, minutally or both and blood mainers such as S. S., which not active middless

they manifest the mechos as ulcers, tumora, inching cruptions, muscular or bone pains, require a tonic and blood parifier such as S. S. S. which not only antidates and neutralizes blood poisoes and humors, but postesses health giving tonic imagerates that no other blood medicine does. It goes down to the very foundation of the disease and climinates from the watern every-

Polluted Blood the disease and climinates from the watern everything of a poisons as character or that obstructs and close the circulation. It builds up and imparts new strength and vitality to the old generalized more filled with new rich blood, and when the arteries and veins are once more filled with new rich blood, the general health begins to improve, muscles grow stronger, and sores and eruptions of every kind disappear.

S. S. S. is the only guaranteed purely vegetable blood purifier, and the purest and most reliable in all blood discuses. It has been tested in thousands of cases during the past fifty years and is more popular today than ever. We will be plant to send you our book free, and if in need of medical salvice write our physicisms all about your case; this information will cost you nothing and comes from experienced and educated doctors.
